

STEWARDS INQUIRY – Mark REGGETT

Stewards inquired into a report that licensee Mark Reggett had allegedly behaved in a manner which could be described as detrimental to the industry after the running of the Tasmania Cup held at the Tasmanian Trotting Club on Saturday 22nd March, 2025.

On questioning Mr Reggett acknowledged that he had acted in a way that could be deemed detrimental and was remorseful for doing so, agreeing his behavior was not that of what would be expected of a licensee.

On considering his evidence and a report from Tasracing's Chief Operating Officer, Mr Dave Manshanden, Stewards charged Mr Reggett under the provisions of AHR Rule 231 (2) alleging he had misconducted himself through comments and actions made towards participants and spectators near the presentation area after the running of the Tasmanian Cup. Mr Reggett pled guilty to the charge.

Stewards, on considering penalty, fined Mr Reggett the sum of \$1000, however being mindful of Mr Reggett's record, his guilty plea, his clear sign of remorse and his forthright evidence, Stewards suspended \$800 of this penalty for a period of 24 months.
