The Trainer further explained the recent 2yo trials over the 800m were conducted from the 1400m start and they have been pulling up their horses at the 800m and believed that this was the reason why his horse may have eased at this stage in the race. Stewards after viewing the patrol films were satisfied it was marginal, however will discuss the matter with Tas Racing going forward with 2yo trials. |

<b>15 LOVE NEST</b>	Slow into stride.

Stewards questioned riders C Jordan (TRANSOM) and T Baker (CARNELIAN ROCK) into reasons why C Jordan had to check her mount in the home straight. Stewards after considering the evidence tendered at the inquiry and acting on their own observations and viewing the official patrol films believed Jockey Troy Baker allowed his horse to shift inwards when being ridden vigorously with the whip resulting in jockey Cody Jordan having to check her mount of the heels of CARNELIAN ROCK. Stewards in not issuing a charge against Jockey T Baker took into consideration that at this stage Jockey Kasi Boxall (GEEGEES STRAWBERRY) had shifted outwards and away from Georgie Catania (CHRISTOPHER ROBIN) and had brushed with the hind quarters of (TRANSOM) and had contributed to this incident. As there were other factors in this incident, the stewards took no action. Jockey T Baker was reminded of his obligations to ensure that when his horses commence to shift ground he stops and straightens.
