### General

Trainer A Clark supplied Stewards with a veterinary certificate dated the 13<sup>th</sup> of June 2025 for Unlikely Danger which raced at Hobart on the 12<sup>th</sup> of June 2025. This indicated that the greyhound was suffering from illness and Mr. Clark advised Unlikely Danger will now be spelled from racing. The greyhound will still be required to trial for its unsatisfactory performance on that night as no abnormalities had been detected on the night.
