GENERAL - Prior to the all-clear the starter alerted stewards to an issue with the loading of SOLO DANGER. After viewing the patrol footage, it was ascertained that SOLO DANGER's handler had difficulty loading the dog and as a result the starter had prematurely put on the green light. Shortly after, and prior to the lids opening, SOLO DANGER exited the back of the boxes and was caught by another handler. Just as the boxes were about to open, SOLO DANGER was repositioned by that handler and came away with the rest of the field. However, during the running of the event SOLO DANGER materially affected the contest by hampering CODE ORANGE and MORRISON'S VAN when those runners were in prominent positions at the first turn. Consequently, stewards deemed the race to be void and a NO RACE was declared under GAR 110(1)
