On return to scale Rider T Baker (ARIANNAS GOLD) viewed the films of the home straight and lodged a protest against the winner TROTSKY (S Nakano) alleging interference in the home straight approaching the finish. After viewing the films and taking evidence, it was established that ARIANNA'S GOLD had shifted in marginally bumping with TROTSKY at the 100 metres. After this nearing the winning post TROTSKY had shifted out and bumped with ARIANNA'S GOLD. Taking into account the margin at the end of the race (a head) and the proximity to the winning post of the interference Stewards did not believe that the interference exceeded the margin at the finish and the protest was dismissed. Rider S Nakano was issued with a reprimand under AR 131(a) for careless riding for allowing his mount to shift out and contact ARIANNA'S GOLD approaching the winning post.
