Stewards spoke to kennel representative Robin Johnson regarding the apparent improved performance of BUCKLE UP ALANI. Mrs Johnson explained that her and her husband went away to Ireland in the middle of the year and none of the dogs were kept in work during that time. Consequently, they have needed racing to get back to peak fitness. The other key to her returning to form was a quicker beginning tonight than in recent starts. Stewards also noted that the bitch got down to a more suitable grade tonight. Mrs Johnsons explanation was accepted.
