Comments / Explanations:

Rider A Darmanin was cleared by Medical Edge to compete in today's race meeting after being declared unfit to ride during the Tasmanian Turf Club meeting on Wednesday the 26th of November 25.

Stewards questioned trainer G Stevenson as to the reasons why THE LONGEST YARD, BLAMEITONTHEBOOGIE and I'M CHEV were scratched from this evening's race meeting, resulting in race 2 being held with three runners only.

Mr. Stevenson stated the following:

Longest Yard – after consultation with the owner he stated that the Sheffield cup was the preferred option.

BLAMEITONTHEBOOGIE, the owner wanted to run over 1100, 1600 not suitable.

I'M CHEV had been worked shortly after acceptances and there were signs of respiratory distress after working so the horse was not considered fit to run tonight.

Mr. Stevenson further stated that it was common for his stable to nominate horses without prior consultation with the owners but scratch after consultation.

Mr Stevenson's explanations were noted and he was advised of the provisions of AR 74(b) with reference to accepting for races to affect the total number of acceptors.

GENERAL TTC 26/11/2025

E Byrne Burke was found guilty of Careless Riding in race 4 at the TTC meeting on 26/11/2025 for allowing her mount CORSA VELOCE to shift in passing the 200 metres carrying SAY IT WITH WORDS (D Parish) over the heels of TALK LIKE THAT (B Muhcu) resulting in contact and SAY IT WITH WORDS blundering. After considering submissions on penalty including her good record, E Byrn Burke's license to ride in races was suspended for two Tasmanian Race dates. The commencement of this will be advised after Miss Byrnre Burke considers a deferment.

The Steward's report as posted is provisional and subject to further review and amendment.
