Comments / Explanations:

Pursuant to AR 143(9), Apprentice Jabez Johnstone was able to claim his 1.5kg weight allowance for the meeting as acceptances had closed prior to him surpassing 80 winning rides.

Apprentice S Kennedy advised Stewards that she was unable claim her full apprentice allowance following her return from a long-term injury and that her riding weight in the immediate future will be 54kg. Stewards established that this information had been recorded by Racing Australia and will initiate a process to ensure this information is correctly and timeously displayed in the Racebook in future.

Stewards accepted the reason furnished by Trainer M Evans for the late rider declaration in Race 8.
