The meeting was abandoned at 7.23pm due to an electrical fault. The lights had gone out twice prior to kenneling and an electrician was called to conduct remedial repairs. The lights were then re-engaged whilst kenneling was being undertaken, however at 7.23pm the track lights, as well as the main lights on the grandstand side, went out again. Stewards consulted with all concerned parties and the decision was made to abandon the race meeting.
