RACE-BY-RACE REPORT

Race 1 - 11:18AM Winning Edge Presentation Maiden (1200 METRES)

Pl	Col	No	Horse	Draw	Jockey	Incident
2		1	AUTHORISED ACCESS	4	C. Van Munster	Jumped in at the start. Shortly after the start commenced to over race, took charge of its rider and shifted outwards, which led to CEEYA SUNSHINE, which was initially directed inwards from a wide barrier to obtain a position closer to the rail, being carried outwards. Following this incident, the gelding raced wide when making the home turn and shifted in at the 200m and again at the 100m. Riders C. Van Munster and L. Dempsey were advised to exercise more care in similar

						circumstances. Jockey C. Van Munster was reprimanded under Rule AR 131(a) for careless riding regarding the incidents at the 200m and 100m.

It was established after reviewing the patrol films from various angles and after interviewing the Starter and Apprentice L. Bingley that the mare had been fractious in the preliminaries, once in the barriers and that the loss of ground at the start was due to its own behaviour. Consequently, the mare was declared a runner and all clear was given on the numbers called by the judge. A post-race veterinary examination revealed no abnormalities. The mare is required to successfully complete a barrier trial to the satisfaction of the Stewards prior to racing again.
		11	ROLAND VIEW	11		SCRATCHED
