Rider M Salter was suspended from riding in races for 1

						Tasmanian race meeting, to be conducted on Wednesday 19th August.

Following Race 2, several riders reported the presence of rocks or stones on the racing surface. A delegation of Senior Jockeys and Stewards inspected the track. Subsequently, due to safety concerns regarding the racing surface, the remainder of the meeting was postponed. In arriving at this decision, Stewards considered the opinions of the Riders, the consistent presence of rocks or stones across the surface and the potential for injury to both horse and rider. Stewards also considered that there were participants that were enroute to Devonport Racecourse and that any necessary remedial measures would have taken substantial time.
