General: E. Arnott was questioned regarding the tactics he adopted from the 600 metres, in particular why he remained in the running line when there appeared to be an opportunity to ease MUZZAME MATE wider and therefore gain clear running. As a result of remaining in the running line, RAINBOW RANGER was unable to gain clear running until near the 250 metres and ran home strongly to finish third. E. Arnott stated RAINBOW RANGER was a three year old competing against more seasoned horses and was resuming from a spell. He stated he did not feel he was in a position to safely ease MUZZAME MATE wider in the back straight due to its positioning and in any event, RAINBOW RANGER has a short sprint and would not have finished off the race if he had made his run at that point. He added he was unaware SHADES OF SILK was under pressure and this resulted in him contacting his sulky tyre and being checked. Stewards reviewed the previous races of RAINBOW RANGER and were satisfied the gelding has a short sprint and in previous races has made its run from near the 300 metres therefore it was reasonable E. Arnott did not attempt to gain clear running in the back straight on the final occasion. Stewards therefore took no further action and noted the circumstances surrounding contacting the sulky wheel of SHADES OF SILK.
