A post-race vet examination of Kiwi Hank revealed minor abrasions inside both wrists. No stand down period was imposed.

Stewards spoke to trainer Jamie Brazendale regarding an incident at the turn out of the back straight involving Kiwi Hank. Mr Brazendale put forward that the dog was put off balance by bumping from Xara Price to his outside and given that Kiwi Hank is 43kgs he struggled to negotiate the turn as he otherwise may have had he been in clear of Xara Price. This evidence is supported by the subsequent vet report which revealed lacerations inside both wrists indicating that he struck himself at that stage due to being put off balance. After viewing the patrol footage and factoring in the subsequent vet report, stewards accepted Mr Brazendales explanation.
