## **HARNESSWEB ONLINE TRANSFERS, LEASES & NAMINGS**

The Tasracing Integrity Unit (TIU) advises that the following online functions are now available through Harnessweb:

- Ownership Transfers
- Lease Applications
- Naming Applications

To complete these transactions online, participants must hold an active Harnessweb account and a credit card for upfront payment prior to the TIU reviewing and processing.

Harnessweb accounts are available to the following participant categories:

- Owners
- Trainers
- Drivers
- Stablehands

If you have a current Harnessweb account you can submit these online, if you do not currently have a Harnessweb account, you can create one via the link below:

<https://harnessweb.harness.org.au/harnessweb/secure/login.do>

Select **“Don’t have an Account?”** and complete the online registration form.

Requests for new accounts will be submitted to the TIU for approval. Once approved, you will receive notification and can begin using the available online services.

## **HARNESSWEB – Password change required**

A Harnessweb password reset is currently being rolled out with all participants required to update their existing passwords by the 2<sup>nd</sup> June 2026.

All new passwords must be at least 16 characters long, contact at least one uppercase letter, at least one number and at least one special character. A video tutorial is available here - [Password Update Tutorial](#)
