Manual Field Selection

Races advertised as "Manual Field Selection" will be selected by the Handicapping Panel. Horses deemed by the Handicapping Panel to be the best credentialled based on criteria including form over the last 10 starts, beaten margins, mile rates, class of opposition, class of races, positions in running, barrier draws, and interference received will be declared as starters in the field.

Manual Field Selection applies to all races with prize money of \$15,000 or more and heats of races where the final

is \$15,000 or more, unless otherwise specified in the race conditions. A horse that has not previously had a race start has no exposed form. Therefore, horses that have had a race start will be included first under the Manual Field Selection Policy. Trial form will not be considered. If balloting is required with multiple unraced horses a random ballot will be conducted to determine which of the unraced horses gain a start.

Heats & Finals

Please refer to the GENERAL CONDITIONS FOR RACES CONDUCTED AS HEATS AND FINAL/CONSOLATION in the Office of Racing Integrity

[Harness Handicapping Schedule & Procedures](#) (tasracing.com.au)

Your best chance to gain a start

Trainers can and should accept for more than one race at a meeting. Trainers are strongly encouraged to nominate for multiple races that their horse is eligible for.

If you have a preference, these must be clearly advised either on the Fax Acceptance Form or on Harnessweb by a brief message in 'Nomination Comments' i.e. (01: 1st Pref, 02: 2nd Pref). Please keep preferences very brief (less than 25 characters).

If preferences are not advised by the closing time for acceptances, the Tasracing Integrity Unit will place the horse at their discretion. A horse with a preference (2nd) may be moved to that race rather than left as the emergency in its first preference.

While preferences will be considered, the Tasracing Integrity Unit may place a horse at their discretion to maximise race numbers or field sizes.

If you are unsure if your horse is eligible for multiple races, please contact Tasracing Integrity Unit **(03) 6777 1900**.

Conditions – Block Nominations – 13th November 2026

The Dynamo

The 30 to 75 national ratings nominations will be divided into a maximum of 8 heats. All races to be held over 1609m with a Preferential Barrier Draw done on Lifetime Wins (PBD/LTW). Horses must be Tasbred or in the stable of a Tasmanian trainer since 1 September 2026 to be eligible for this series.

The races will be formed as follows:

- All horses that do not have an unfulfilled engagement will be selected first.
- Horses with unfulfilled engagements will then be included to the maximum number required for the heats.
- Horses will then be selected in rating order (highest to lowest) to determine each field.
- Field sizes will be 8.
- No emergencies will be drawn.

To determine fields when a horse is on the same National Rating

For selection in the field – the horse/s with the highest Field Selection Points (FSP) will be first selected and if still equal, then the horse with the highest Lifetime Wins (LTW) and then by a Random Draw.

If there are less than the required number of nominations received to field the number of specified races, then those horses shall be starters and nominations will be extended with the remaining starters being selected from the extended nominations received from the lowest rating up. The horses selected as starters will then be divided into the specified number of races from the lowest rating up.

Racing information

Programme conditions

Race programming details advertised in the Harness Calendar are correct at the time of publishing. Please refer to Harness.org for updated programmes.

Races Divided by Points

When races are divided by points (high and lower points divisions), the Unfulfilled Engagements and Extended Races policies do not apply if the total number of acceptors is equal to, or less than, the combined field limits.

Waiver

Race meeting details in this publication are published on behalf of Tasracing and the Tasracing Integrity Unit and reserve the right from time to time to alter the date of running, to make any alteration or modification to these races, to alter the sequence of races, to cancel the meeting or any portion thereof, and to alter the time for taking entries, declaration of handicaps or acceptances, and also the right to reject, at any time, any entry submitted to or for them. All races programmed will be run according to the Tasmanian Rules of Racing and under the Australian Handicapping Rules and the Handicapping Policies adopted by the Tasracing Integrity Unit unless specified in the conditions of the race.

Manual Field Selection

Races advertised as "Manual Field Selection" will be selected by the Handicapping Panel. Horses deemed by the Handicapping Panel to be the best credentialled based on criteria including form over the last 10 starts, beaten margins, mile rates, class of opposition, class of races, positions in running, barrier draws and interference received will be declared as starters in the field.

Manual Field Selection applies to all races with prize money of \$15,000 or more and heats of races where the final is \$15,000 or more, unless otherwise specified in the race conditions. A horse that has not previously had a race start has no exposed form. Therefore, horses that have had a race start will be included first under the Manual Field Selection Policy. Trial form will not be considered. If balloting is required with multiple unraced horses a random ballot will be conducted to determine which of the unraced horses gain a start.

Heats & Finals

Harness Insurance Program – Tasmania

Tasracing works with Harness Racing Australia (HRA) and other State Controlling Bodies to put in place an annual insurance program that covers all affiliated clubs and licenced persons. The insurance cover applies when licence holders and other insured persons/entities are involved in activities that are sanctioned by HRA and Tasracing. These activities include official events, training, competition, committee meetings, fundraising activities, plus travel to and from these activities.

There are two overarching policies which cover Personal Accident Insurance and Public & Products Liability Insurance. Full details are available at tasracing.com.au

This insurance cover does not replace the need for Employers to have a current Workers Compensation Policy for paid and voluntary workers as required under state legislation.
