Application for Renewal of Farrier or Restricted Plating Licence

Licence Information

The following information applies to the **2026/27** thoroughbred racing season and forms part of your application.

APPLICATION FOR RENEWAL

The Application for Renewal of Licence form must be completed and lodged with the Tasracing Integrity Unit (TIU) by **Friday 3 July 2026** to ensure that processing will be completed prior to the commencement of the season on 1 August 2026. Late lodgement will cause delays in processing.

As the preference for renewing applications is now by the SNS online method, all paper-based applications will incur an **administration fee of \$25 in addition** to the prescribed licence fee.

You should obtain and provide a unique email address as soon as possible because it is the TIU's intention to phase out paper-based renewal applications.

Your licence includes the following:

- Photo Identification card

Applications must be lodged either by email, mail, fax or in person to our Prospect office.

Applications cannot be accepted by Stewards or other staff members at race or trial meetings.

LICENCE UPGRADE / CHANGE OF CATEGORY

Should you wish to upgrade your licence or apply for a different category, please contact the TIU to obtain an application form and information with respect to other documentation, which may be required.

PAYMENT

Payment option information is included with this renewal application.

APPLICATION FORMS

If you have multiple licenses, you should complete and return each application form to renew each licence. It is however only necessary to pay the **highest fee applicable** except for a Farrier or Restricted Plating licence which attracts a fee in addition to any other licence fee applicable.

Paper based renewal applications will also attract an administration fee of \$25 in addition to the prescribed licence fee.

THOROUGHBRED RACING CALENDAR

Your details will be included in the Thoroughbred Racing Calendar, therefore up-to-date, accurate details are vital for the information contained in this publication. If you do not return the application for licence renewal form by the due date you may not be included in the first issue of the Calendar in the new season. If you do not wish to have your details published, please ensure you answer the question on your renewal application appropriately.

A subscription fee is no longer applicable for the Racing Calendar. Copies are available to all participants at the offices of Tasracing or race clubs free of charge.

PHOTOGRAPHIC IDENTIFICATION

All licensees will be issued with a Photographic ID Licence card for the forthcoming season that must always be worn in a prominent position when participating as a licensed person at a race or trial meeting. You must be able to produce this card upon request of Stewards or other authorized persons.

AR.278 – DISQUALIFIED PERSONS BOUND BY RULES DURING DISQUALIFICATION

- (1) Subject to subrule (2), if a licensed person is disqualified, that person's licence immediately ceases and becomes void, and the person must make application to a PRA to be relicensed in order to be granted a new licence.
- (2) For the duration of a period of disqualification, a disqualified person is and remains bound by, and subject to, the Rules.

AR.23 – SUSPENSION PENDING THE HEARING AND DETERMINATION OF A CHARGE

Without limiting any other rules or Stewards' powers, if a person has been charged with a breach of these Rules (or a local rule of a Principal Racing Authority) or with the commission of an indictable criminal offence, and if the Stewards are of the opinion that the continued participation of that person in racing might pose an unacceptable risk of prejudicing the image, interests, integrity or welfare of racing, the Stewards may pending the hearing and determination of the charge:

- Suspend any licence, registration, right or privilege, granted under these Australian Rules;
- Prevent any horse owned (or part owned) or leased by that person from participating in any race or official trial;
- Order that any registration of the transfer of ownership and/or training of a horse related to that person be prevented or suspended;
- make any other direction or order the Stewards think fit in the interests of racing.

LICENSING REVIEW GUIDELINES

All licensed participants are subject to review, on at least an annual basis. Relevant for the TIU to consider include:

- (a) If the participant has been found guilty of breaches of the Rules of Racing on multiple occasions;
- (b) If a horse that the participant is responsible for is not presented in a way public confidence can be guaranteed;
- (c) If the participant engages in actions that are detrimental to the image of the industry and public perception;
- (d) If the participant fails to meet a level of activity commensurate with the licence category; or
- (e) If the participant no longer meets the requirements of a "fit" and "proper" person.

The Tasracing Integrity Unit may issue a show cause notice on any participant, who is deemed not to meet the guidelines, as to why they should retain their licence.

The above guidelines refer to all licences, whether they be a new applicant, an upgrade or a renewal.
