

Tuesday Pre-Race Trials

- Trainers must have a runner engaged in races 1-5 at the meeting to be eligible to trial pre-race.
- Trials will be limited to trainers with no engagements in later races. For example, if a trainer has a runner in race 1 and another in race 6, that trainer will not be eligible to trial pre-race.
- Eligible to post codes 7200 and greater
- There will be a maximum of 20 pre-race trials conducted.
- The number of trials any one trainer can book will be limited to four.
- In the event more than 20 pre-race trials are requested, preference will go by highest post code.
- Trials must be booked with Tasracing before 3pm the day prior to the meeting.
- Trainers must provide the race name or identification details of the greyhound when booking.
- Trainers are only able to book greyhounds that are currently registered in their name.
- Tasracing will manage all trial bookings and reserve the right to refuse future bookings should a trainer not follow the booking process correctly.
- If Tasracing believes the track may be adversely affected by weather or for any other reason, the trial session will be canceled, and trainers will be required to trial after the last race.

Trial conditions:

- Trials will be available from the 461m, 22-pole, 340m and 15-pole only.
- The trial session will commence immediately after kennels close and finish no later than 20 minutes before race 1. Any greyhounds not trialed by this time will be required to trial after the last race.
- The maximum number of dogs per trial will be 4.
- Tasracing retains the right to amend any of the above conditions without notice.
